

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 1670 - HB 2341

March 7, 2022

SUMMARY OF BILL AS AMENDED (014893): Expands the list of individuals employed by a local board of education that are required to receive in-service training on the detection, intervention, prevention, and treatment of human trafficking in which the victim is a child to all school personnel.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- Tennessee Code Annotated § 49-6-3004(c)(1)(B) requires teachers to complete in-service training once every three years on human trafficking when the victim is a child through the viewing of a video recording approved by local education agencies (LEAs).
- It is assumed that LEAs already have the necessary resources and video recording required for the training and can accomplish the training during the normal course of business; therefore, increasing the number of employees required to receive training will not result in any significant fiscal impact to local government.
